

YOU WILL NEED:

Cord/Thread:

3 coordinating colors, 60" long each

Bead Colors:

-  Magenta - 4
-  Prickly Pear - 7
-  Turquoise - 7

Rod Colors:

Magenta - 6

Instructions

1. Thread 3-4 beads onto each cord and slide them to the center of the length.
2. Lay all 3 cords side by side and together fold them in half with the beads in the center.
3. Tie a simple overhand knot below the beads to secure them. Now you should have 6 strands of even length.
4. Separate the strands to make three groups of 2 strands each. Braid the strands until you have about 8" of braid. Tie a knot at the bottom of the braid.
5. On each of the six strands, add one small bead and one rod. Tie a knot below each rod, then trim the ends.
