**\*NOTE: Kit contains 1 necklace. To make both designs shown, you will need an additional necklace.**

## Necklace #1

**1** Thread 15 beads onto the necklace in your choice of color. We used:

- 6 Light Pink
- 1 Magenta
- 1 Grape Stripe
- 1 Prickly Pear Pearl Stripe
- 1 Grape Stripe
- 1 Magenta
- 4 Light Pink

**2** You will create the dangles using the pattern below, or any other you like.

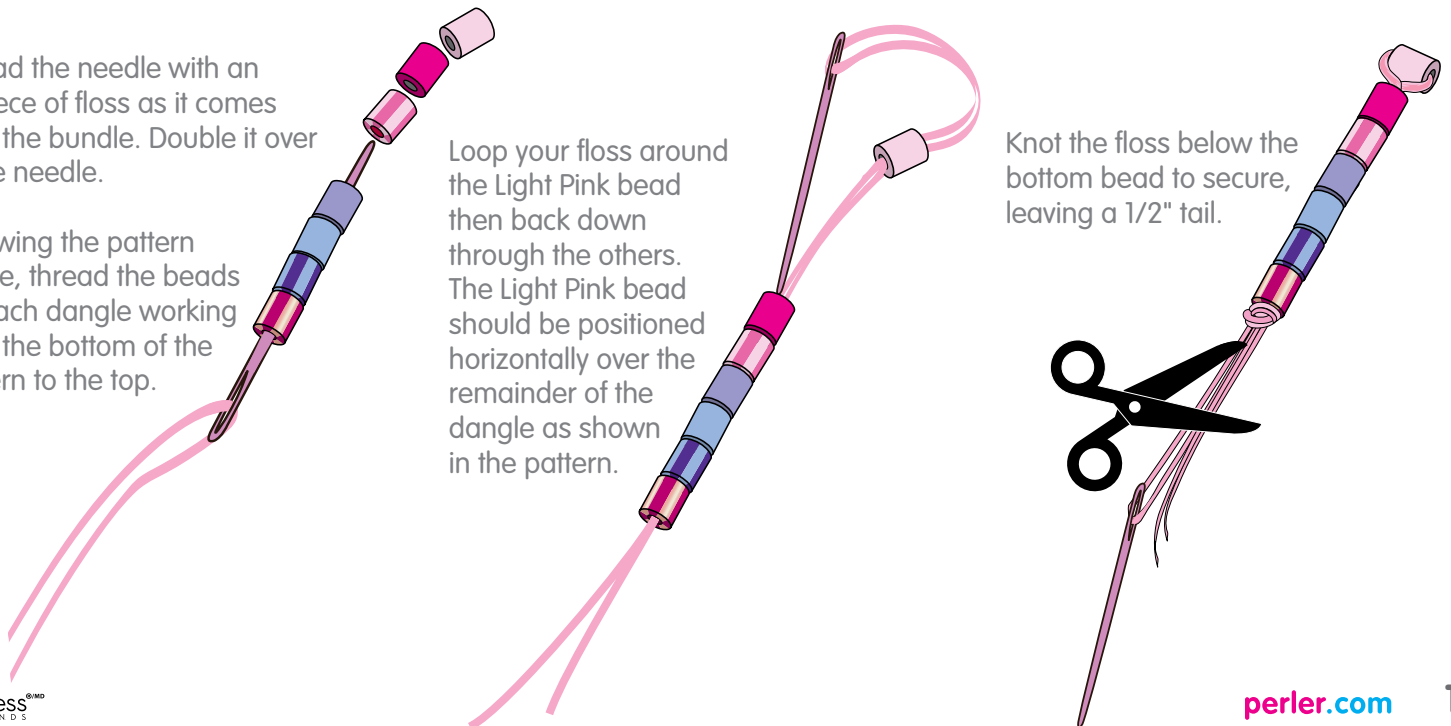

**3** To make the actual dangles, follow the steps shown below:

Thread the needle with an 8" piece of floss as it comes from the bundle. Double it over in the needle.

Following the pattern above, thread the beads for each dangle working from the bottom of the pattern to the top.

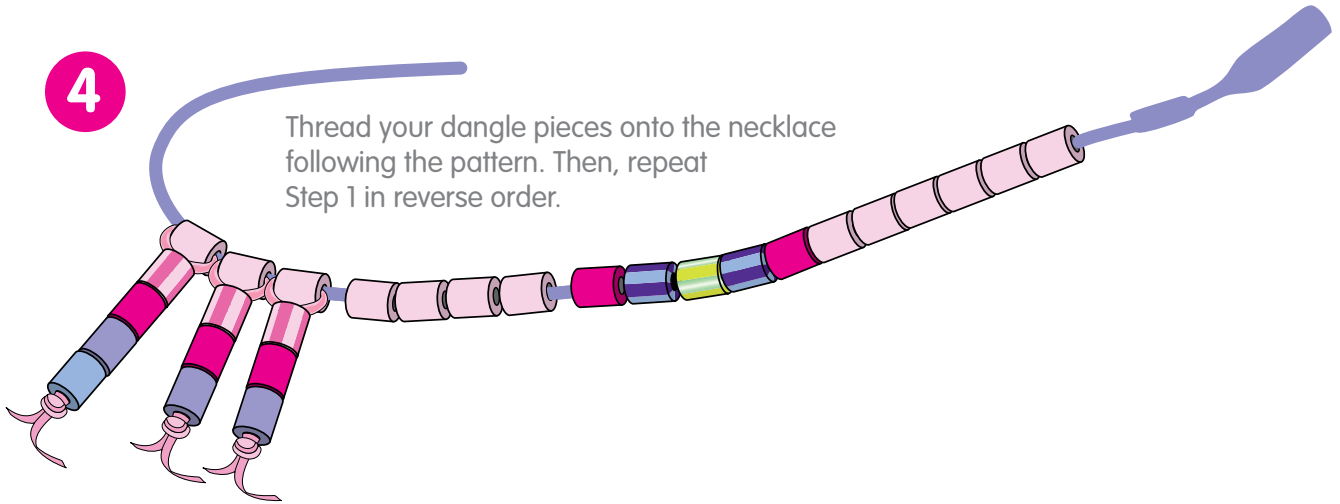

Loop your floss around the Light Pink bead then back down through the others. The Light Pink bead should be positioned horizontally over the remainder of the dangle as shown in the pattern.

Knot the floss below the bottom bead to secure, leaving a 1/2" tail.

4

Thread your dangle pieces onto the necklace following the pattern. Then, repeat Step 1 in reverse order.

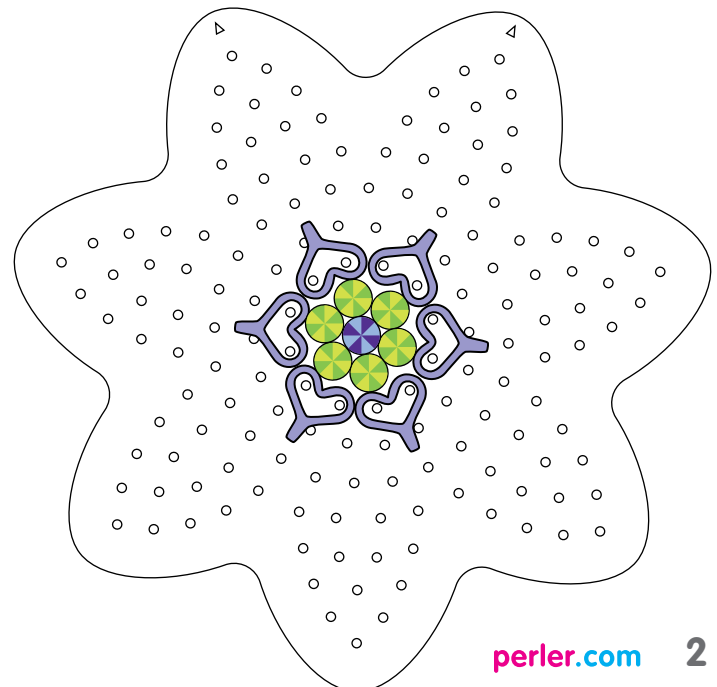

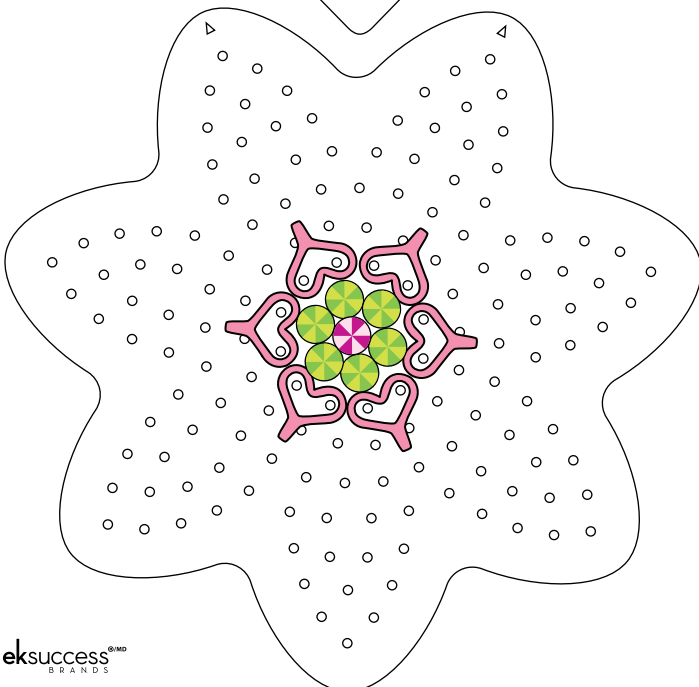

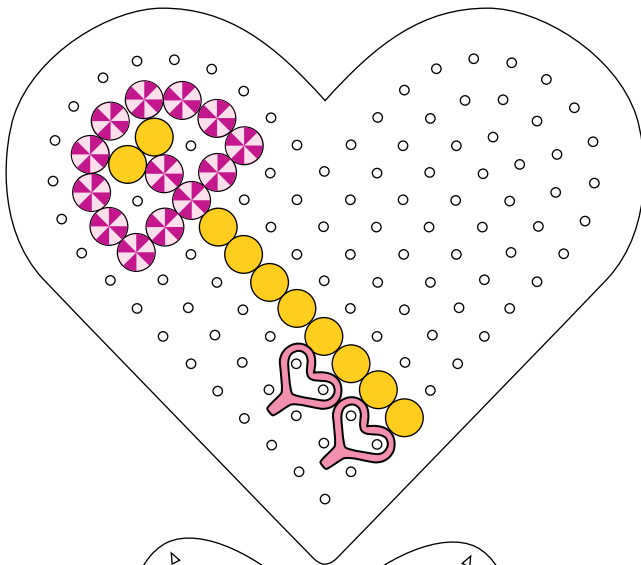

Necklace #2

1

Place your beads on the pegboards as shown. If you are using a clear pegboard, slide the actual-size pattern underneath it. Ask an adult to fuse your designs—see page 3 for further instructions.

Bead Colors:

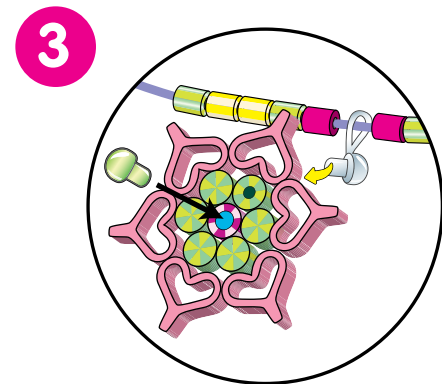

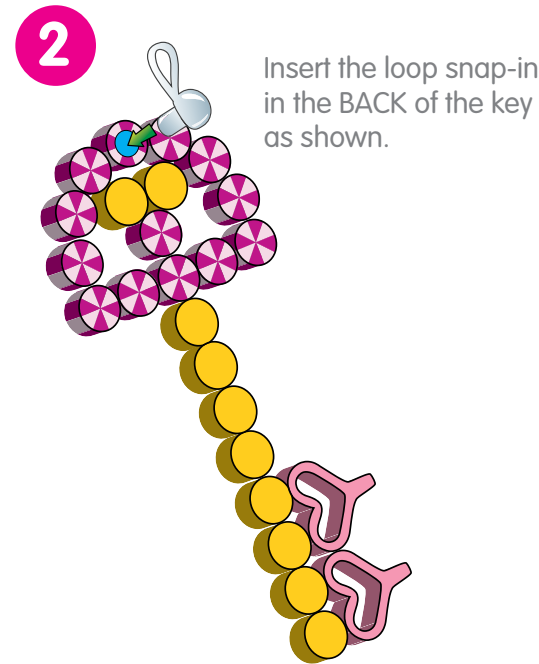

- Cheddar
- Raspberry Pearl Stripe
- Prickly Pear Pearl Stripe
- Grape Stripe
- Bubblegum Heart Shape
- Pastel Lavender Heart Shape

Fusing Instructions—Only Adults Iron

1. Place your pegboard on a flat, heat-safe surface.
2. Set a household iron to the medium setting. Place ironing paper over the pegboard. In a circular motion, begin to iron the project. Do not press down with the iron. As the beads begin to fuse, you will see circles of the beads start to show through the paper. When ironed properly, the beads will still have an open center. Let the design cool.
3. Remove the paper and bead design from the peg board. Flip the design over to expose the non-fused side. Repeat step two. Let cool completely.

**NOTE:** Beads need heat for about 10-20 seconds per side to fuse evenly. Lift the paper occasionally to see how the beads are fusing. Depending on the size of the project, additional heating time may be required. **DO NOT OVER-IRON** the beads as it will make the centers of the beads close and can make the assembly you do with your project more challenging.

Insert the loop snap-ins in the BACK of the flowers in the bean shown by the black dot. Insert a round green snap-in into the center of each flower on the FRONT.

**4** Assemble your design by threading beads and fused pieces onto the necklace in this order:

- 6 Buttercream Stripe
  - 1 Prickly Pear Pearl Stripe
  - 1 Magenta
  - 1 Prickly Pear Pearl Stripe
  - 3 Buttercream Stripe
  - 1 Prickly Pear Pearl Stripe
  - 1 Magenta
  - Pink Flower**
  - 1 Magenta
  - 1 Prickly Pear Pearl Stripe
  - 2 Buttercream Stripe
  - 1 Prickly Pear Pearl Stripe
  - 1 Magenta
  - Lavender Flower**
  - 1 Magenta
  - 1 Prickly Pear Pearl Stripe
  - 2 Buttercream Stripe
  - 1 Prickly Pear Pearl Stripe
  - 1 Magenta
- KEY**

Now, reverse the above pattern to finish the necklace.
